

Recycle

IN STRATHCONA

The easy zero-waste solution for all your recycling needs

The **Strathcona BIA** has partnered with zero-waste service provider **Recycling Alternative** and pedal-powered **Shift Delivery** to bring an innovative community recycling program to our members. Get started with **cost-effective** and **customized recycling services** that benefit your business and achieve a positive community impact.

Benefits for Your Business

Exclusive pricing for your business

Education and support for your staff

Flexible bin sizes and collection frequency to fit your needs

Simple, consolidated invoicing

No long-term contracts

Convenient on-demand collections as required

Efficient Routes mean less truck traffic in your lane

Zero-emissions trike pick-up if you're a small-volume producer

We prioritize best practices in recycling and recovery

Through impactful partnerships this program creates local and inclusive job opportunities.
